

## 2<sup>nd</sup> Modelling Workshop 20-21.4.2023 - Helsinki, Finland

Location: Yliopistonkatu 5, 3rd floor 00100 Helsinki

### Agenda of the meeting

Time	Topic	
9:00 – 9:30	Opening and welcome	SYKE, AICS, CIHEAM-Bari
9:30 – 9h45	Quick introduction of participants	All participants
9h45- 10:00	Objective of the meeting in relation to WATDEV overall work framework	CIHEAM-Bari
10:00-10:30	An outline of BMPs selected in Nairobi and further discussed in bilateral meetings: typology, challenge/s to be addressed, areas to work.	ASARECA & CIHEAM-Bari
10:30 – 11:30	Plenary discussion on presented BMPs and digging details where needed	SYKE facilitating
<b>11:30-13:00</b>	<b>Lunch</b>	
13:00 – 14:30	Quick sharing of candidate models: description, spatial scale, applicability to WATDEV. <i>This section foresees a presentation of candidate models based on excel template</i>	CIHEAM-Bari
<b>14:30-14:45</b>	<b>Coffee break</b>	
14:45 – 15:15	Triggering presentation on linking models to BMPs <i>Towards a matrix of models vs BMPs, highlighting scope and scale of models and what models can do to address BMPs objectives / challenges</i>	ISRIC
15:15 -16:15	Plenary discussion of BMPs-models matrix	KALRO facilitates
16:15-16:45	Wrap up & summary of the day	SYKE
16:45-17:00	Leaving the meeting room	
<b>19:00-21:00</b>	<b>Dinner</b>	

Friday, 21.04.2023 (meeting room reserved for 9 - 17)

Time	Topic	
09:00-10:00	Model data requirements	SYKE facilitates
10:00 – 10:30	Data collection: organization and roles	KALRO facilitates
10:30 – 12:15	Models coupling / integration framework as first base for toolbox development (allowing for BMPs driven modelling and reverse modelling)	ISRIC and CIHEAM-Bari facilitate
12:15-13.30	Lunch	
13.30-14:45	Models coupling / integration framework as first base for toolbox development (allowing for BMPs driven modelling and reverse modelling)	SYKE and KALRO facilitating
14:45-15:00	Wrap up and conclusions	SYKE, CIHEAM-Bari, AICS
15.00	Coffee and departures
